It's difficult having them react differently....I can't tell who trumps whom. Do you want to ask LTC Gant for advice?

I will leave to you to let Sharron know that I just spoke with LTC Gant and confirmed that the call will just be with Jared Blumenfeld and Ken Kopocis, Deputy AA for OW. I assured LTC Gant that the three principals of the call should be Jared, Ms. Darcy and Ken.
Thanks!

One more detail: in setting up tomorrow's Cargill call, my colleague Nancy Woo had spoken with LTC Antonette Gant, and mentioned that Ken Kopocis, the Deputy Assistant Administrator for Water, may join the conversation. Ken is Washington DC-based in our HQ, and has spoken with Ms. Darcy in the past few months on this matter.
